

POA national campaign to defend jobs, pay and pensions

POA members are campaigning with other Unions at national level to defend pay and pensions alongside legal action to defend our Civil Service Compensation Scheme (CSCS). The POA along with other Unions are legally challenging the imposition of RPI/CPI.

- **Our pay is frozen while inflation soars**
- **We are expected to work longer for smaller pensions**
- **Our jobs are being cut**
- **Our redundancy agreement the CSCS has been ripped up**

The government want us to pay for their economic mess but POA members did not cause the problem and should not have to pay for it. The bankers continue to be paid large bonuses.

POA believes that the government should stop the cuts and:

- **Collect the £120 billion tax evaded, avoided and uncollected**
- **Properly fund Prisons and other Public services**
- **Stop privatising prisons**
- **Stop the Private Finance Initiative.**

Half a million ordinary people marched against the cuts in London.
Now every POA member needs to step up to help the campaign.

You can help by:

- **Becoming a local POA rep**
- **Asking non members to join the union**
- **Writing to and/or visiting your local MP about the cuts**
- **Attending regular branch meetings.**

**The Professional Trades Union for Prison,
Correctional & Secure Psychiatric Workers**
