Dear Colleagues

PENSION DEDUCTION TORNADO

In 2018 the Executive issued several circulars advising members to check their payslips to see if they had had pension contributions taken when responding to operational emergencies and receiving Tornado pay.

Following the concerns raised by members and the intervention of the Executive the Department resolved the issue with Shared Service Centre and adjusted the single operating platform.

HMPPS calculated losses and took steps to repay individuals.

The NEC have again been made aware that individuals may not have received the monies owed to them, but it is for individual members to check their pay slips and seek reimbursement if monies have been deducted incorrectly.

Please draw the contents of this circular to all members.

Thanking you in anticipation of your support and co-operation.

Yours Sincerely

STEVE GILLAN
General Secretary
