Dear Colleagues

KING'S COLLEGE LONDON RESEARCH SURVEY

We have had a request to circulate the link below to a survey which is to assist research into how physical health conditions, mental health conditions and developmental conditions can affect people at work. They are looking for members (with or without a condition) to complete the online survey, which will take around 15 minutes.

We believe this research could provide supportive evidence on the working conditions in establishments and the effect on the health and wellbeing of POA members.

The research has received ethical approval from the King's College London Research Ethics Committee and the NEC would ask you to support this piece of research work

The survey Link is:

Thank you for assisting with this project.

Yours sincerely

STEVE GILLAN
General Secretary
