

Area Lead Required!

We're looking for someone who can piece together a strong network of local leads & members in this area.

The role entails:

- **Developing good working relationships with senior managers, equality leads & HRBP's**
- **Supporting members, local leads & workplaces in the area regarding LGBTI+ issues**
- **Promoting the network and encouraging membership**
- **Recruiting and directing the activity of local leads**
- **Celebrating LGBTI+ awareness dates & raising awareness through activities**

Eligibility for the role:

- **Area leads must be a network member (you can join us if you're not, to become eligible)**
- **All members employed by HMPPS, including allies are eligible for area lead roles**
- **A signed Service Level Agreement (SLA) form from your manager to confirm the provision of the required 4 days a month facility time for the role is essential.**
